(513) 793 - 6222

The Results

Result One

Enhanced network security and reliability.

Result Two

Migration from on-premise Exchange server to Microsoft 365.

Result Three

Achieved a 50% reduction in voice costs and substantial savings of 60-80% on software expenses.

Partner Feedback

"MIS Solutions is a great strategic partner. Their leadership listens to feedback and responds with solutions, and I appreciate their culture to attract and retain top talent. Finally, the managed service team is consistent, responsive and professional. To United, MIS is more than just a service provider...they are our IT team!"
