Challenges

Insufficient support, excessive expenditure on internal IT personnel, a lack of proactive infrastructure management, and absence of streamlined internal processes.

Solutions

Transitioned from an internal IT team to serving as the outsourced IT partner, implemented a comprehensive technology roadmap, resulting in cost reduction and heightened operational efficiency.

The Results

Result One

Realized significant IT cost savings while concurrently enhancing resolution times.

Result Two

Established a comprehensive and strategic technology budget.

Result Three

Implemented streamlined internal processes for enhanced efficiency.

Partner Feedback

"In 2016, our school chose MIS Solutions to handle IT, valuing their expertise over mere cost savings. Now, 7 years later, this decision stands out as exceptionally beneficial. MIS met and exceeded our initial expectations with their friendly and responsive staff. Jason Null, our primary contact, ensures we stay current with technology trends. We strongly endorse MIS Solutions."
